## VITA

**PROFESSIONAL QUALIFICATIONS:** Clinical Psychologist, Licensed in Louisiana & Texas  
Clinical Neuropsychologist  
Board Certified in Clinical Neuropsychology, ABPP

### EDUCATIONAL HISTORY:

Post-Internship Residency Clinical Neuropsychology	L. H. Matthews, Ph.D. Private Practice	10/95 - 01/97
Internship, Clinical Neuropsychology	Baylor College of Medicine	1994-1995
Respecialization, Clinical Psychology	University Southern Mississippi	1992-1994
Ph.D., Psychology	Texas Christian University (Chemistry of Behavior Program)	1981
<i>Dissertation: Recovery of Function From Septal Damage and the Growth of Sympathohippocampal Fibers: A quantitative study in the rat.</i>		
M.S., Physiological Psychology	Tulane University	1978
B.S., <u>cum laude</u> , Chemistry/Psychology (honors in Psychology)	Tulane University	1975

### PROFESSIONAL PRACTICE ACTIVITIES (Independent Practice Setting):

Forensic Neuropsychology (1/2000 to Current): I provide full neuropsychological assessments for litigated cases (plaintiffs and defense), IME's, long and short-term disability cases, and criminal cases (including Capital cases). Psychological and neuropsychological assessment is included to answer specific referral questions. I also provide analysis and research of testamentary capacity for estate planning purposes, ongoing challenge to a will, or neuropsychological autopsy.

Algiers Neurobehavioral Resource, LLC (3/2014 to Current) - For clinical neuropsychological and psychological assessment and therapy, group and individual, particularly for disabilities. Assessment work-ups include closed head injury, cerebrovascular accident, multiple sclerosis, dementia, seizure disorders, normal pressure hydrocephalus, attentional and learning disorders, and developmental disorders.

HIMS Education Seminar, Denver, CO; September 2013; 2014

Expert to Administrative Law Judges (2009 to 2012): Social Security Disability Adjudication and Review.

Department of Children & Family Services: Neuropsychological and Psychological Evaluations and therapy in child protection cases.

LA Rehabilitation Services: Neuropsychological and psychological assessment of clients with a new outlook for school and work.

State Licensing Board Examinations: Neuropsychological and psychological assessment for impairment; consent orders: Medical, nursing, psychology, chiropractic, social work, and LPC boards.

Psychological Resources, P.C., a private psychology practice at the Kenner Regional Medical Center, for neuropsychological and psychological assessment and therapy, group and individual. (1-96 - 12-99)

River Oaks Hospital

West Jefferson Hospital, Psychiatric Unit

#### **PRIOR PROFESSIONAL ACTIVITIES:**

Social Security Administration - Disability Determinations: Psychological assessment of disabled clients. 1997-2007

Volunteers of America: Group Homes; Assessment and Behavioral intervention for mentally handicapped individuals. 2000-2001

Senior Care of Kenner Regional Medical Center: Providing psychological and neuropsychological services in this Partial Hospitalization Program. 1998-2000

West Bank Senior Care, JoEllen Smith Hospital: Providing psychological and neuropsychological services in this Partial Hospitalization Program. These services include consultation, dementia assessment, team staffing, and process-oriented group psychotherapy. 1996-1998

Psychometrician and Clinical Neuropsychology Assistant 1991-1992  
(patient population included closed head injury, cerebrovascular accident, multiple sclerosis, dementia, seizure disorders, ADHD, and learning disorders.)

Adjunct Assistant Professor, University of New Orleans 1986-1991  
(Introductory, Motivation, Comparative, Physiological Psychology, Biopsychology)

Post-doctoral Research Fellow, The Rockefeller University 1985-1986  
(Neurochemical, neurobehavioral research on feeding systems; radioimmunoassay and receptor binding programming)

Visiting Assistant Professor, Tulane University 1984-1985  
(Motivation, Psychobiology [grad], General Psychology, Neural Mechanisms [grad])

Assistant Professor, U. Southwestern Louisiana 1981-1984  
(Physiol. Psychology [grad & undergrad], Experimental, General, Psychopharm.)

**AWARDS/HONORS:**

- 2013, Courage Community Award, *Psychology Times*, January 1, 2014.
- 2012, Distinguished Psychologist, Louisiana Psychological Association
- 1985, Richard M. Griffith Memorial Award, Southern Society for  
Philosophy and Psychology
- 1978, Chemistry of Behavior Fellow, Texas Christian University

**SERVICE:**

- Judge, Student Scientific Poster Awards, Louisiana Psychological Association Convention, 2017.
- Consultation with Association of Administrative Law Judges (AALJ) for Grievance with Social Security Administration; Participated in Arbitration, 11/2016
- Practicum Supervisor, The Chicago School of Professional Psychology, Xavier University, July, 2016 to present
- Member, Ethics Committee, LA Psychological Association, 2016
- Testified at Institute of Medicine Committee at hearings to evaluate changes in policy for SSA assessments for disability - August 11, 2014
- Consultation with Audits Division of the Office of the Inspector General on validity issues concerning Social Security Disability, 2013
- Consultation with staff of United States Senator Tom Coburn on validity issues concerning Social Security Disability, 2012-2013
- Board of Directors: American Academy Clinical Neuropsychology, Feb: 2012-2017
- Reviewer: *The Clinical Neuropsychologist*
- Reviewer: *Archives of Clinical Neuropsychology*
- Reviewer: *Applied Neuropsychology*
- Member, Bylaws Committee, LA Psychological Association, 2009-2010
- Leadership of Grassroots Initiative to Revitalize Psychology in Louisiana (2009-2010)
- Committee Member, Division 40 & AACN Task Force on New Rules for SSA Mental Listings, 2010.
- Committee Member, AACN: Teleconference with SSA Chiefs on Malingering, 2008.
- Leader; joined by AACN and NAN and several prominent Neuropsychologists and Forensic Psychologists in letter to the SSA Commissioner about Malingering
- Normative Groups Supplied for Green's Medical Symptom Validity Test (2006)
- Touro Synagogue Board of Trustees (2005-2008)
- Regional Advisory Board, Alzheimer's Association (2004 – current)
- Mentor, American Board of Clinical Neuropsychology
- Work Sample Reviewer, American Board of Clinical Neuropsychology
- Site for normative development of Dean-Woodcock Neuropsychological Battery
- Treasurer, New Orleans Psychotherapy Associates, 2001-2002
- President, New Orleans Neuropsychological Society, 2002-2003
- Professional Advisory Board, MS Society, Louisiana, 1998- current
- Human Rights Committee, Volunteers of America: Examination of human rights aspects of mental health work on mentally retarded individuals.

**PROFESSIONAL MEMBERSHIP/FELLOWSHIP:**

- Member (current): Louisiana Psychological Association
- Fellow (since 2009), National Academy of Neuropsychology; member since 1991
- Member (2008), National Association of Disability Examiners

Member (since 2000), American Academy of Clinical Neuropsychology  
 Listed (1998-2004), National Register Health Service Providers in Psychology, #44622  
 Member (started 1984), American Psychological Association (Division 40 member)  
 Fellow (1990-1999), American Psychological Society  
 Member (1978-1995), Society for Neuroscience  
 Member (1977-1998), American Association for the Advancement of Science  
 Member, (1985-2004), Southern Society for Philosophy and Psychology  
 Member (since 1992), New Orleans Neuropsychological Society
